Scooters

We have had reports of unsupervised children on scooters, in and around the **Year 4-5 gate**, behaving in a dangerous manner. Spinning them very close to other parents and children whilst waiting to come into school, and riding them in the road. We had a very near miss this week, when a child stepped out onto the road on their scooter, in front of a car.

Please can we remind parents that if your child rides a scooter to school, they **must** be mindful of other people and traffic, we will have no choice but to ban them from school if the reckless behaviour continues.

Thank you for your support.
