## Important info

Please can parents/carers remind their children that scooters and bicycles are not to be ridden on any school grounds. This includes both school entrances, the carpark and both playgrounds.

We would rather not have to enforce a ban of scooters/bicycles, but we will if children continue to ride recklessly around the school grounds creating near misses and issues within a crowded area. We accept this is a minority and the children involved have been identified and parents contacted.

We have had a few parents express concern at the continued absence of Mrs Wilson and ask when she will be returning to work. Mrs Wilson is unwell at the moment and is taking some time to look after herself. I am sure you will join us in wishing her a speedy recovery.
