

Quality, excellence and passion

28.04.23

Dear Parents/Carers,

We are very much settled into the new term already! There does not seem to be a term pass by that is not busy; term 5 is certainly no exception! Already, pupils have undertaken various activities (on and off site) to both enhance their learning and understanding of our school values. Last week, our under 9 girls undertook several games of football. Their display of ambition, respect and teamwork led to wonderful results which enabled them to get through to the regional finals which are taking place today. Throughout their performance at the Albion Cup tournament, their resilience was ever-present. We are extremely proud of all our pupils and congratulate them on a fantastic job!

The children are now well underway with their learning. They are accessing rich topics across this term. You can access information about this on the school website by visiting the children tab and clicking on 'class pages'. The termly planner sheets also contain key dates which relate to your child's year group. We do hope that you find them helpful.

<p>Maths learning</p> <p>Our maths learning this half-term begins to look at time, position and direction. We will also be recapping addition and subtraction, as well as quick recall of the 2, 5 and 10 times tables.</p>	<p>English learning</p> <p>Rich stimuli: Light house Keeper's Lunch and Hello Lighthouse</p> <p>We will be using these fantastic books to inspire our narrative and instructional writing.</p>	<p>Science learning</p> <p>In Science, we will be finding out about Living things and their habitats, including micro-habitats.</p> <p>We will be learning about how the habitat provides the basic needs for the plants and animals.</p>
<p>SWAN CLASS TERM 5</p>		<p>Mrs Akehurst and Miss Peacock : Year 2</p>
<p>Curriculum Learning Journey</p> <p>Subject: History Title: War and Peace Concept Question: How did William lead his team to victory? We'll be finding out all about the Battle of Hastings, in 1066, between the Norman-French army and the English army.</p>		<p>Art learning</p> <p>Focus: Digital Photography and Textiles</p> <p>Learning: For our Art project this term, we'll be exploring the work of Stan Rosenthal and creating our own final piece involving weaving.</p>
<p>PE</p> <p>This term we'll be focussing on athletics. The children will be practising their running, jumping and throwing skills. Our PE day is Friday so please make sure that children wear their PE kit to school on this day. On colder days, please remember that our PE kit consists of plain, black leggings/ jogging bottoms and a plain, black jumper.</p>	<p>Other Information</p> <p>Hooray! We're going on a trip to Battle Abbey to find out more about our history topic. More details to follow.</p> <p>Keep up the great work listening to your children read daily and remember to fill in their reading record!</p>	<p>Dates to Remember:</p> <p>Monday 17th April – Start of Term 5: Back to School Monday 1st May – Bank Holiday Wednesday 3rd May – Class Photographs Friday 5th May – Coronation Lunch Event – more details to follow! Monday 8th May – Bank Holiday Tuesday 9th – 12th – KS2 SATs Testing Week Monday 15th – 26th – KS1 SATs Testing Weeks Tuesday 16th May – School Trip to Battle Abbey for Year 2 Thursday 25th May – Last day of Term 5 Friday 26th May – INSET day Monday 5th June – Start of Term 6</p>

I would like to pass on my thanks to the PTFA who have set aside time each day to sell raffle tickets for the most wonderful hampers. An amazing £218 has been raised. Led by the children's and staff requests, the PTFA have agreed that funds raised will go towards purchasing new playground markings.

Fundraising is utterly crucial for this equipment and we do thank you all for your generous donations. Further events are planned for this year. Do have a look at notifications later in the newsletter for more information.

Safeguarding

Should you ever have any concerns about a child and require advice, you are able to contact ChildLine or our school Senior Leadership Team/some members of our Safeguarding Team: Mrs. Richardson, Mrs. Crees, Mrs. Williams or Mrs. Morgan.

Please do have a look at the bulletin in the newsletter which outlines what parents need to know about TikTok. The guide provides some helpful information about the platform, including the age at which children should be to have the app.

Attendance

Attendance continues to be a focus for the school. At Heron Park we continue to have high expectations related to attendance. Our school target is over 95%. This week our overall attendance was 94%. Consistent attendance enables pupils to have the best chance at realising success now and in their futures.

It is equally important that children are in school on time. Just 5 minutes late each day equates to 3 days lost learning across a year.

I do thank you for your commitment in ensuring that the children are in school each day and on time. Maintaining good attendance is very much about a partnership between home and school. Should you need any support in this area, please do contact our school office.

Class winners:

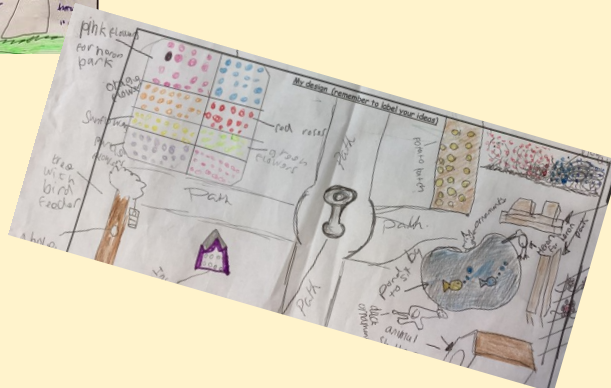

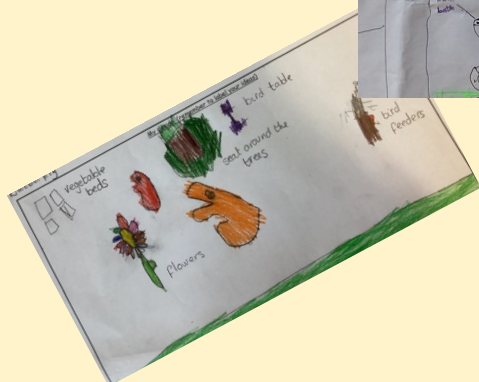

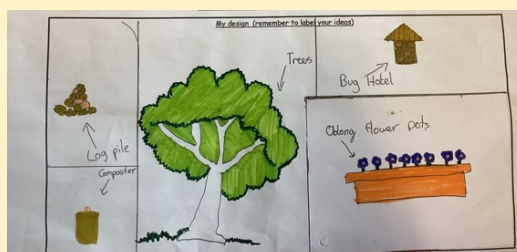

Bumblebees 96%

Ladybirds 98%

Foxes 99%

Pupils have been busy creating the most wonderful garden designs over the past two weeks. They have worked hard to consider what we should include in the garden to improve our overall school environment. The entries were of extremely high quality and made judging very difficult. There are a selection of designs below. Whilst judging was difficult, we have chosen overall winners. We look to combine the ideas presented by our winners in our final garden. From bug hotels, to upright planters, all the ideas were fantastic. The aim is to get the garden started as the term progresses. Congratulations to all the children who took part.

We look forward to seeing you in school again soon at our Term 5 Parental Engagement events. To find out when these will be taking place, please do check the event dates for this term which are included at the end of the newsletter.

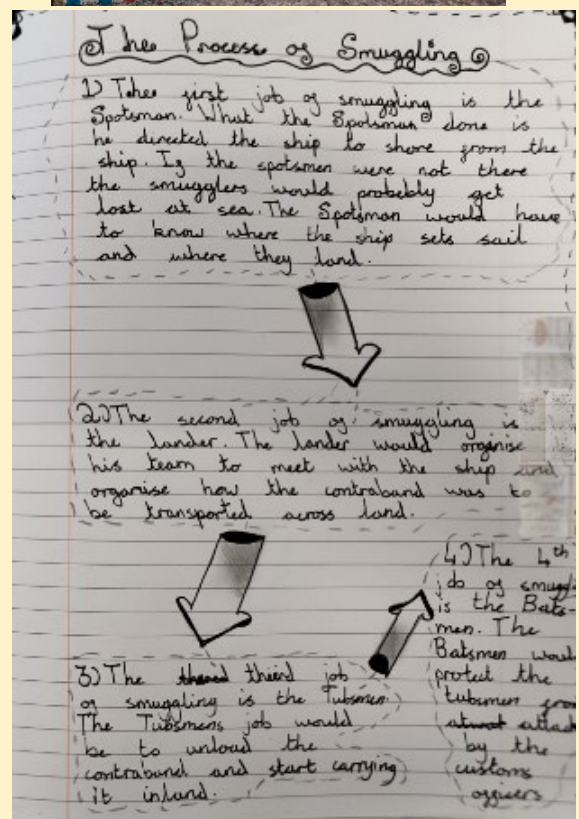

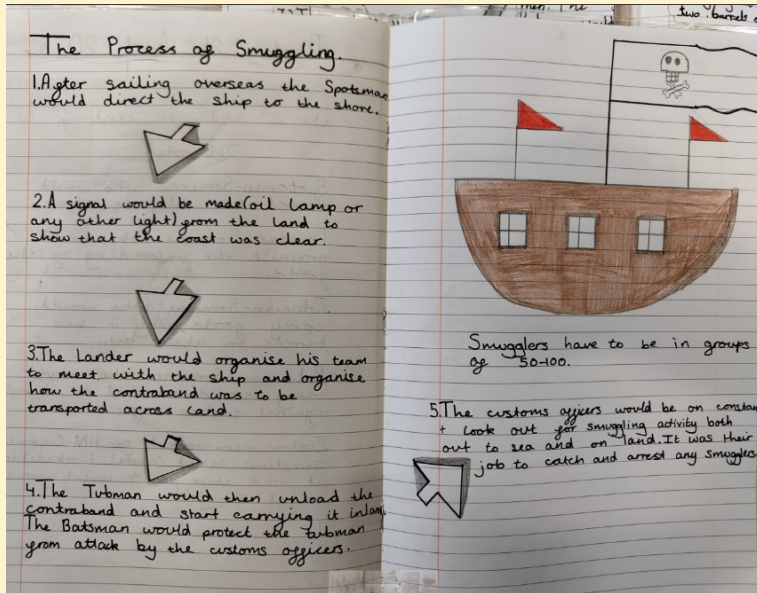

As always, I do hope that you enjoy reading more information about the events that have taken place in school over the past two weeks. When it arrives, do have a wonderful Bank Holiday weekend.

Kind regards,
Mrs H Crees
Headteacher

Year 6

Over the previous two weeks, Year 6 pupils have launched their study of Laetitia Yhap a British artist. The children have looked at the overall composition of Laetitia's artwork, with an extra focus on the way that she distorts shapes in her pieces. Laetitia's paintings certainly complement the Smugglers topic which forms the history learning within this year group. In addition to this, the children have been exploring historical information related to smuggling, considering the key activities undertaken by smugglers hundreds of years ago. The children are already enjoying this local history unit.

Year 5

In readiness for their exploration of the artwork created by local artist Ivon Hitchens, the children have explored different colour palettes in their lessons. They have focused carefully on how they can adapt the tone of certain colours, comparing their outcomes and discussing colour preferences. The children are already inspired and ready to take their artwork further. I look forward to sharing their outcomes with you later this term.

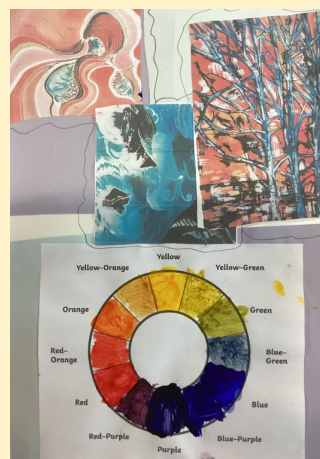

Year 4

Our Year 4 pupils have developed a range of health and safety strategies this week with a very special First Aid session in the hall. Pupils were taught basic First Aid procedures by Mr Homan. They listened beautifully, demonstrating our values of curiosity and respect throughout. Congratulations to all the children and a special thank you to Mr Homan for all his tuition and expert advice.

Year 3

Year 3 pupils have been experimenting with colour in their art lessons this week. Pupils learn about various colour patterns in each year of their learning. The children customised their art sketchbooks and used their investigation of Batik techniques as inspiration for this. Additionally, the children have also been developing their maths skills and applying these when completing money reasoning puzzles. They have been working very hard indeed.

Year 2

Year 2 children are currently studying the Battle of Hastings and have the most wonderful fun reenacting the great battle of 1066! I really like the way they dramatised the main events. Pupils are now looking at the Bayeux Tapestry in more detail, exploring what this significant piece of artwork/historical source tells them about the past. I look forward to hearing everything the children find out about this period of time and to seeing them develop important historical skills!

Year 1

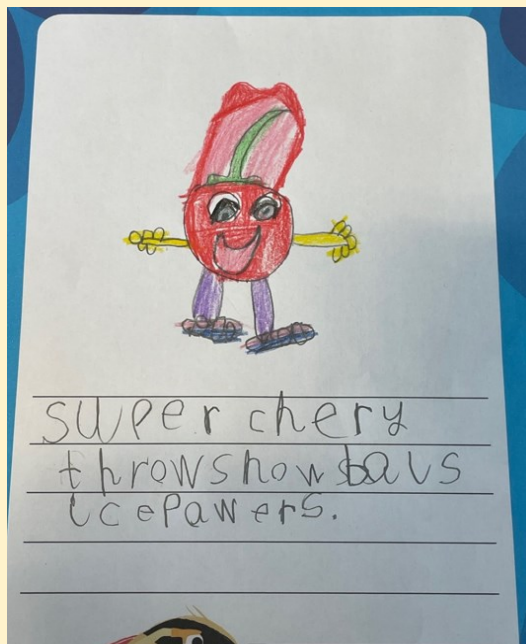

Year 1 children have been making Lego castles and looking at the key features of a castle. I love their designs. The children will be visiting Pevensey Castle in a few weeks as well!

Our Year 1 pupils have also been exploring the features of trees and flowers. Great job, Year 1.

Reception

Learning has certainly been of a 'super' nature in Reception. The children have been reading 'Supertato' by Sue Hendra and Paul Linnet. The story has certainly inspired the children to create their own 'super vegetables' and write about them. We are so impressed with their progress. I LOVE the features included on the vegetable creations. Huge congratulations to all the children!

Nursery

Our Nursery children have been very creative this week in their study of Sunflowers. The children have loved drawing and planting these flowers. They know that sunflowers can get pretty tall. Using this information, they have measured their own height so that they can compare it to their own plants as they grow. Fantastic work!

Year 4 trip to Michelham Priory

There is nothing better than a school trip! Year 4 children had the most wonderful visit to Michelham Priory on Wednesday. Pupils not only represented the school beautifully, they were also engaged with all the historical information the house has to offer about the Tudors. The children asked really interesting historical questions and thoroughly enjoyed their tour in order to answer these. A trip on the adventure playground was also a popular part of the visit. Having spoken to the children at the end of the day, their enjoyment was evident. I would also like to extend special thanks to all the adults who organised and supported the children on the trip.

Celebrating the Coronation

Celebrate The King's Coronation

HERON PARK PRIMARY 2.5.23 - 5.5.23

Monday	Tuesday	Wednesday	Thursday	Friday

Our school=

PRICELESS

Introduction

We would like to firstly introduce you to your new PTFA, we are a small group of teachers parents and friends of the school who have joined together with the aim to be able to fundraise to enhance not only the children's education but also the social side of being at the school. As our focus is of course funding for the children, we are hoping to compile a wish list with the children to determine how the money we raise is spent.

Thank you!

I'm sure many of you have seen us about lately in the KS1 playground and also around by the Y4/5 entrance, selling raffle tickets for our first ever event, the Spring Raffle. We would like to thank every single person that supported us and purchased tickets, we appreciate the support immensely and without you, we wouldn't have been able to achieve our target. In fact we smashed it by raising a FABULOUS £218!

We would also love to congratulate all of our winners and of course a huge thank you to the incredibly generous donators of the four hampers!

Whats coming up?

Preloved Uniform Sale

Starting on Thursday 4th May

In the KS1 playground.

We will be selling all uniform at heavily discounted prices, from school jumpers to pink gingham dresses including book bags, p.e bags and shoes and coats.

Not only do you get a bargain on school uniform prices you are also supporting your PTFA and the Eco-Schools project recently set up.

WE NEED YOUR HELP

To be able to run as successfully as we believe we can, we will also need your help!

If you have old uniform that you no longer need we would massively appreciate if you would donate it to us to add to our preloved uniform shop. We are happy to accept any type of uniform as long as it is in a useable state.

PLEASE

If you have seen us around and would like to know how you can help, please don't hesitate to come and chat to us, pop us an email or pop in to the main office and leave your details and someone will be in touch.

Every bit of help, really does make a difference.

Our email address is: HPPFA@auroraacademies.org

What Parents & Carers Need to Know about

TIKTOK

AGE RESTRICTION
13+

(certain features are restricted to over-18s only)

TikTok is a free social media platform that lets users create, share and watch short videos ranging anywhere from 15 seconds to 10 minutes in duration. The app gained notoriety for its viral dances, trends and celebrity cameos and can be a creative, fun platform for teens to enjoy. Now available in 75 languages, it has more than a billion active users worldwide (as of spring 2022) and is most popular with the under-16 age bracket. In fact, a 2022 Ofcom report found TikTok to be the most-used social media platform for posting content, particularly among young people aged 12 to 17.

WHAT ARE THE RISKS?

AGE-INAPPROPRIATE CONTENT

While TikTok's "Following" feed only displays videos from users someone follows, "For You" is a stream of clips based on their previously watched content. Most videos on a child's "For You" feed will therefore be light-hearted and amusing, but it could potentially surface something unsuitable. TikTok's guidelines prohibit the sharing of illegal or inappropriate content, but the sheer volume of uploads mean they aren't manually monitored and vetted.

18

CENSORED

DAINGEROUS CHALLENGES

Due to TikTok's immense popularity, some young people have unfortunately been influenced by videos challenging them to perform harmful, criminal or even deadly acts. One extreme example was the "blackout" trend, which encouraged users to hold their breath until they passed out from a lack of oxygen. It led to two families filing lawsuits against TikTok over the tragic deaths of their children.

CONTACT WITH STRANGERS

With around 1.1 billion users globally, the potential for contact with strangers on TikTok is high – especially as accounts created by over-18s (or youngsters using a false date of birth) are set to public by default. This not only means that someone's profile is visible to everyone else on the app; it also lets their videos be suggested to others and enables anyone to comment on them or download them.

IN-APP SPENDING

TikTok is free, but users have the option to buy TikTok coins, which can be used to purchase emojis in the app. These emojis are then sent as rewards (retaining their monetary value) to other users for videos they've created. Coin bundles range from £9.99 to an eye-watering £99; TikTok's policy is that they can't be bought by under-18s, but it's possible to bypass this with a fake birthdate.

ADDICTIVE NATURE

TikTok can be addictive, especially for young people: compulsive repeated use can interfere with sleep patterns and be a distraction from other activities. The platform recently introduced default usage time limits of 60 and 100 minutes for new members under 18 (in the UK, children with TikTok average 102 minutes per day on the app), but these restrictions can easily be removed in the settings.

TIKTOK NOW

Introduced in late 2022, the "TikTok Now" feature lets users post a daily video or photo at the exact same time as their friends. Users receive a synchronised notification at a random time of day, giving them three minutes to take a video or real-time photo. This addition can not only be a distraction to young people but could lead to them inadvertently sharing private content such as their location.

Advice for Parents & Carers

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account with their child's and control their settings remotely. Parents can then, for example, turn on Restricted Mode (reducing the chances of a child seeing inappropriate content); set screen time limits; and manage their child's ability to send messages (and to whom). Children can't alter these settings without parental approval.

MAKE ACCOUNTS PRIVATE

Although under-18s will have their TikTok account set to private by default, bypassing this setting is relatively easy. However, parents have the ability to manually set their child's account to private – meaning that their videos won't be visible to strangers and they won't be able to exchange messages with people who aren't on their friends list.

LIMIT IN-APP SPENDING

If your child is using an iPhone or Android device to access TikTok, you can alter the settings to prevent them from making in-app purchases. We'd recommend that you enable this feature, as it's quite easy for a young person – without realising what they're doing – to spend a significant amount of real money buying TikTok coins so they can unlock more features of the app.

DISCUSS THE DANGERS

If your child wants to use TikTok and you're happy for them to do so, it's crucial to talk about the potential risks in this type of app. For example, ensure they understand not to share any identifying personal information – and that they realise they could be exposed to inappropriate content. Thinking critically about what they see on TikTok can help children become generally more social media savvy.

READ THE SIGNS

If you're concerned that your child might be spending too much time on TikTok, or that they've been emotionally affected by something inappropriate or upsetting that they've seen, it's important to know how to spot the possible signs. Increased irritability and a lack of concentration are potential red flags, as are failing to complete homework or regularly not eating meals.

Family NEWSLETTER

Hello all Families,

I am writing to let you know about our **Eastbourne Spring Water Festival**. This will be taking place between 12th and 21st May.

I have selected a list of events which are particularly suitable for younger people. Please look at these. Once you find something that you would like to take part in, either just turn up or, if you need to register, please visit

plasticfreeeastbourne.co.uk/springwaterfestival to add your name. Here, you will also find the full range of Festival events.

Things you might look at in particular:

Also, please take your refillable drinking water bottle and visit some of our newly installed drinking water refill stations along the seafront ~ becoming known as "Spring Water Way."

If you want to ask any questions, please contact me at plasticfreeeastbourne@gmail.com

I wish you a successful and rewarding summer term.

Best wishes,

Oliver Sterno

 Community Leader ~ Plastic Free Eastbourne
Coordinator ~ Refill Eastbourne

Name of Event	Date of Event
Promenade	Throughout the Festival
Spring Water Way ~ visit our Refill Stations	Throughout the Festival
Beach Sports for all the family	12th May - Friday
Eco-Stalls Fair	13th May - Saturday
Seaweed Search	13th May - Saturday
Water Sports: Sailing or Windsurfing*	13th May - Saturday
Source to Sea Clean	13th May - Saturday
Big Beach Clean	14th May - Sunday
Water Sports: Sailing or Windsurfing*	14th May - Sunday
"The Eastbourne Spring Water Festival Race" ~ watch the sailing race	14th May - Sunday
Wellbeing Wheel and Walk	15th May - Monday
Studio at the Lake . Walk, Draw, Talk, Write	16th May - Tuesday
Blue Heart @ Towner ~ "Green Roof"	18th May - Thursday
Creative Writing	18th May - Thursday
Water Sports: Sailing or Windsurfing*	20th May - Saturday
Towner: Film Show ~ "From the Sea to the Land Beyond"	20th May - Saturday
Studio on the Beach	20th May - Saturday
Seaweed Search	20th May - Saturday
Closing Ceremony	21st May - Sunday
Water Sports: Sailing or Windsurfing*	21st May - Sunday
