

quality, excellence and passion

Dear parents / carers,

I cannot believe that Term 1 has ended! What a fantastic amount we have crammed in to the last 7 weeks and now for a well-earned rest for everyone.

It has been so lovely to welcome you all in to the school over the last couple of weeks, firstly for parents evenings and this week to share in your children's learning. I hope that you have enjoyed both of these events, any feedback as to how we can improve these is always gratefully received (please email heronparkoffice@auroraacademies.org).

Our new Aurora curriculum is very popular with the children and I hope that they are telling you all the great things they have been learning about in their History, Art and Wellbeing lessons this term. Next term the focus moves from History to Geography and from Art to DT but the children should be able to make solid links between their learning, which I hope they will share with you. Teachers are preparing summary sheets for you, as they did in Term 1, that will provide an overview of all that will be taking place up to Christmas.

Term 2 will be another busy term and many of these dates will be included with this newsletter. Please note that we have placed INSET days this year, where possible, either side of a weekend allowing those who wish to go away the opportunity without accruing an unauthorised absence.

SLT will continue to be available on the gates every morning and afternoon. We are rotating gates each term so that we can get to know as many of you as possible so you may well see a different face!

We will be holding a Christmas Fair this year in the last week of term. If anyone is interested in helping with this in any way whether running a stall, sourcing raffle prizes, helping on the day, etc. please see a member of SLT.

Finally a reminder that attendance at school is a priority. At this time of year there are many coughs and colds around but children can normally still attend school unless they have a temperature. We celebrate school attendance every week in assembly and appreciate your support in getting your children to school every day and on time.

Have a lovely half term holiday and I look forward to seeing you all on Monday 31st October.

Kind regards

Mrs Jo Richardson

Acting Head of School

Parental Engagement Events

This week, each year group have held Parental Engagement Events, with activities ranging from singing and learning about toys from the past to The great Fire of London and the Ancient Greeks!
