

Quality, excellence and passion

Dear parents / carers,

What a week – we have made it through without melting!

The children have all been so sensible and understanding as to why they couldn't play outside or charge around as they normally do.

Year 6 children leave us today and we are so proud of each and every one of them and the journey they have been on over the last 7 years of primary school. We wish them all the best with their new adventures at secondary school and would love to hear how they are getting on over the coming years.

We also say goodbye to some staff who will be greatly missed - see below.

I have to particularly mention Mrs Sirah who has been a member of staff since 1997 and will be enjoying her well-deserved retirement. Always cheerful and there to help, the front desk will not be the same without her!

I also have to make particular reference to Mrs Laurance, who has been here a long time too – since 1999. Her laugh and caring nature will be greatly missed by staff and families who she has supported over the years – I am sure she will be popping back regularly either in her new role or just as a friend.

Within this newsletter, we have included events / trips that we hope will take place next year in each year group. We are very aware of the increases in the cost of living and wanted to give you plenty of notice of any potential costs.

I do hope that you all have a fantastic summer break, I know that we, at Heron Park, are all looking forward to recharging our batteries ready to return in September for another busy, exciting year.

Keep safe and enjoy the summer.
