IT'S ILLEGAL TO SMOKE IN A VEHICLE WITH ANYONE UNDER 18

It is illegal to smoke in a car (or other vehicle) with anyone under 18. The law changed on 1 October 2015, to protect children and young people from the dangers of secondhand smoke.

Both the driver and the smoker could be fined £50. The law applies to every driver in England and Wales, including those aged 17 and those with a provisional driving licence.

The law applies:

- to any private vehicle that is enclosed wholly or partly by a roof
- when people have the windows or sunroof open, or the air conditioning on
- when someone sits smoking in the open doorway of a vehicle

Every time a child breathes in secondhand smoke, they breathe in thousands of chemicals. This puts them at risk of serious conditions including meningitis, cancer, bronchitis and pneumonia. It can also make asthma worse.

Leaving your child in the car

The law does not say an age when you can leave a child on their own in a car, but it's an offence to leave a child alone if it places them at risk, please remember this when dropping and collecting your children. Thank you
