School starts back on **Monday 21st February**.

World Book Day Thursday 3rd March

Children are invited to dress as their favourite book character.

Year 6 Term 3

Throughout this term we have been learning about the Space Race which was an event that took place between 1955 and 1975. It was between the USSR and USA and they were trying to see which country had better technology. So far this term we have learnt about Sputnik 1, launched by the USSR, which was the first artificial satellite to enter space. We also learned about the first animal to enter space. Her name was Laika and she was a stray dog who was the first animal to orbit Earth but sadly she passed away. We are looking forward to what we learn next!
